(c) and (d) In the cases of proved subletting, the concerned departments have already been asked to take disciplinary action against the officials in terms of the orders issued by the Ministry of Personnel and Public Grievances.

Provision of electricity in J Block of Sagarpur, New Delhi

3426. SHRI JAGADISH JANI: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether it is a fact that the residents of J Block of Sagarpur, New Delhi West has deposited advance metre security as an earnest money; and

(b) if so, by when the electricity will be provided to the area and what steps have been taken?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH): (a) and (b) Electrification scheme of left out portion of West Sagarpur Colony including 'J' Block, was prepared and released for execution by Delhi Electric Supply Undertaking after realisation of development charges from 25 per cent plot holders in April 1986. The work could not be taken in hand earlier for want of clear demarcation of levelled road and easy approach. Delhi Electric Supply Undertaking has now started the work and expects to complete the same by Dec., 1986, subject to construction of proper roads and approach etc. by the concerned agency.

Development of West Sagarpur, New Delhi

3427. SHRI JAGADISH JANI: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether it is a fact that West Sagarpur, New Delhi is a regularised colony; if so, what steps have been taken up by Government for its development;

(b) by when Government propose to develop the remaining portions of West Sagarpur;

(c) whether it is also a fact that 70 per cent population of the area belong to backward and poor classes; and

(d) if so, what specific facilities are being provided to these sections?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH): (a) to (d) West Sagarpur is an unauthorised regularised colony. The MCD is carrying out the development works of roads, brick pavements in lanes, and drains as per the approved lay-out plan of the colony, in phases, according to availability of funds. Some of these works have already been completed while others are in progress. 80% of the regularised colony already stands electrified and electric connections are being given by DESU on completion of usual commercial formalities by prospective consumers. DESU has also taken in hand the execution of the scheme of electrification of the remaining 20% of the regularised colony.

The details about composition of the population in the colony are not available.
